This is to certify that **Miami Community Wellness Alliance, Inc.**, a Florida nonprofit corporation and 501(c)(3) tax-exempt organization operating at 1200 NW 20th Street, Miami, FL 33136, is **licensed to operate a residential child-caring agency** providing behavioral health stabilization and residential services to children referred through the child welfare system, subject to the terms, conditions, and description set forth below.

1. LICENSE DESCRIPTION

description: Authorizes the operation of a licensed residential child-caring facility (the "Parkline Youth Stabilization Program") providing short-term residential placement, on-site behavioral health screening, and case management for up to 12 children referred by the Department or a community-based care lead agency. This license covers the physical facility located at 1200 NW 20th Street, Miami, FL 33136, and all licensed program staff operating under the organization's supervision.

2. ORGANIZATIONAL ASSIGNMENT

3. USAGE RIGHTS & RESTRICTIONS

The following usage-rights fields apply to this license record. As a regulatory facility license (not a content or intellectual-property license), reproduction/distribution/commercial-use flags govern only the display and posting of the license certificate itself, not the Organization's programs or materials.

allowsReproduction:	true — certificate may be copied for posting/display and audit files
allowsDistribution:	false — license is non-transferable and applies only to the named facility
allowsCommercialUse:	false — not applicable; license does not authorize for-profit operation
requiresAttribution:	true — issuing authority must be credited on any public reproduction

4. CONDITIONS OF LICENSURE

This license is issued subject to the Organization's continuing compliance with the following conditions. A change in the **compliance** field to "at-risk," "action-required," or "non-compliant" reflects an open finding that must be resolved before renewal.

Staffing & Screening: All direct-care staff must hold current Level 2 background screening clearance and complete DCF-approved pre-service training prior to unsupervised client contact.

Health & Safety Inspections: The facility must pass an annual fire-safety and environmental health inspection and maintain current inspection certificates on file.

Capacity Limits: The facility shall not exceed its licensed capacity of 12 residents at any time, as recorded in the **quantity** and **availableQuantity** fields above.

Incident Reporting: Any critical incident, injury, or allegation of abuse/neglect must be reported to the Florida Abuse Hotline and the Department's licensing office within 24 hours.

Recordkeeping: Client case records, staff credentialing files, and facility inspection reports must be retained for not less than five (5) years and made available for Department audit upon request.

5. TERM AND RENEWAL

This license is effective as of **issueDate: August 1, 2026** and expires on **licenseExpiryDate: July 31, 2027**. The record's **autoRenew** flag is set to **false**; renewal is not automatic. A renewal application, including updated inspection certificates and staffing rosters, must be submitted by the internal **renewalDate** of **May 15, 2027**, which precedes expiry by more than the **renewalNoticeDays** value of **60 days** to allow time for Department review and re-inspection.

notes: Facility passed FY2026 annual re-inspection with no deficiencies noted. Staffing roster confirmed at 7 FTE direct-care clinicians, exceeding the 6 FTE minimum required under the related grant agreement. Next scheduled site visit: February 2027.

7. SUSPENSION, REVOCATION, AND ENFORCEMENT

The Department may change this record's **status** to "action-required," "suspended," or "expired," or may deny renewal, upon a finding that the Organization has violated Section 409.175, Florida Statutes, Rule 65C-13, F.A.C., or the conditions of licensure in Section 4. The Organization will be provided written notice of any deficiency and a reasonable cure period prior to formal suspension proceedings, except in cases involving imminent risk to resident safety, where the Department may act immediately, including removal of residents and summary suspension of this license.

8. CERTIFICATION

This license is issued on the authority of the Secretary of the Department of Children and Families and remains the property of the State of Florida. It must be displayed at the licensed facility and produced upon request by the Department, a community-based care lead agency, or law enforcement. Alteration of this license or operation beyond its licensed capacity or expiration is a violation of state law.
